**SUBJECT: LETTER OF INTENT TO PARTICIPATE IN THE COUNTY PARCEL DATA ACQUISITION
AND MAPPING PROJECT**

Dear Mr. Buckshi:

It is the intent of the City of Grover Beach to participate in the County Parcel Data Acquisition and Mapping Project for the purpose of acquiring and mapping countywide parcels in a geographic information systems (GIS) format. It is our understanding that, once the project is completed, the GIS data will be made available to the City of Grover Beach at no additional charge and will include, among other information, Assessor attributes such as ownership, address property value, etc. It is also our understanding that the County intends to update the parcel information on a regular basis.

The City's cost for this participation is \$12,292.30 and the City will pay this amount in three (3) installments in the amount of \$ 4,097.43 annually. These payments will be due on August 1st of each year, beginning in 2015.

It is also our understanding that the City's approval is required before our participation in this project is confirmed. It is further understood that Desiree Ramos, GIS Program Manager, (805) 781-1571, dramos@co.slo.ca.us, will be the ongoing County contact for this project.

Sincerely,

ROBERT PERRAULT
